COLOURS OF OBLU is a dynamic collection of Indian Ocean Hotels and Resorts by Atmosphere Core.

We present a curated selection of experiences that bring the magical beauty and big-hearted hospitality of the Maldives alive.

COLOURS OF OBLU offers something truly special for everyone, appealing to audiences from all walks of life in search of exotic corners, pristine beaches, and pure escapism. This encompasses world travellers, couples, families, honeymooners, and the millennial minded.

The diverse and bountiful experiences we deliver always start out with the same objective; to meet the dreams and expectations of guests in a spirit of true generosity reflecting the carefree and relaxed soul of island living.

An aerial photograph of a tropical island resort. The image shows a long, curved strip of land with a white sandy beach, numerous palm trees, and several buildings with dark roofs. A long pier extends from the land into the turquoise water, leading to a small structure. In the background, a long row of overwater bungalows is visible, stretching along the edge of the island. The water transitions from a shallow, light turquoise near the shore to a deeper blue further out. The sky is a vibrant blue with scattered white clouds. The entire image is framed by a red border with a white, abstract, wave-like pattern.

## Free Spirited *Tropical Island Living*

We exist to give them the freedom to connect with the stunning nature of the Indian Ocean; the local people and an environment where wellness and fun is never far away, and to technologically switch on and off whenever they wish.
