MALDIVES RESORT & SPA

THILAMAAFUSHI ISLAND

Secluded in a southeastern pocket of Lhaviyani Atoll, Le Méridien Maldives Resort & Spa is located on Thilamaafushi, a natural island defined as "island surrounded by vast lagoon" in Dhivehi, the local parlance of the Maldives.

Enveloped by shimmering hues of blue, white capped beaches and Indian Ocean breezes, the resort is a celebration of the cultural fabric of the Maldives; its people, nature and art, channeling its energy to unlock the charm of the destination through Le Méridien's distinct European spirit of savouring the good life.

**130 kilometres north of Velana International Airport,
35 minutes by seaplane.**

MID-CENTURY ISLAND DESIGN

The resort's design is a canvas inspired by the formation of the Maldives archipelago, its unique topography, fringing reefs and vibrant marine life.

This blueprint is fused with Le Méridien's mid-century and Bauhaus philosophies to present a concept that unites art, renewable materials, and industrial design.

These ideas are coupled with splashes of muted hues and playful design touches to present a resort that sits in harmony with the natural environment.

DISCOVER THE LIFE AQUATIC

Take a dip. Splash around. Explore.

Ignite imagination, uncover local culture and embark on once in a lifetime voyages of discovery.

Our resort offers a curated menu of personalised experiences and unique programs designed to connect our curious and creative guests to discover the pulse of the destination.

BODU FINOLHU – PRIVATE ISLAND

Discovery moments await at Bodu Finolhu, our Private Island.

Defined as "Big Island" in Dhivehi, encounter an untouched idyll with a flourishing tropical forest, pristine beach, and glistening shades of blue, exclusively for guests to explore.

MARINE ESCAPADES

Known for its beauty, abundant marine life, and some of the best dive sites, Lhaviyani Atoll features more than 50 dive sites, most within reach from the resort.

In collaboration with Sub-Oceanic, the resort's dive partner, thrill-seekers can discover coral caves, sprawling reefs, and "Thilas" full of marine life.

Go scuba diving or snorkelling, drift alongside Manta Rays, turtles, and shoals of vivid marine life.

Immerse in the resort's verdant flora and fauna above and below the waves, dive into eco-conscious philosophies, explore local customs, or glide across the Indian Ocean in search of dolphins.

DINING

TABEMASU

Defined as "to eat" in Japanese, Tabemasu is a distinct offering where art, design, and cuisine are fused to create a playfully chic dining experience.

The menu focuses on various Japanese dishes, encompassing regional tastes that unite modern and traditional techniques.

The restaurant's attention-to-detail extends to a purposely designed teppanyaki counter and curated sake and tea list.

RIVIERA

Designed to celebrate long summers, Riviera is a beachside playground where infinite ocean vistas are fused with effervescent socialising.

Inspired by Le Méridien's European heritage, Riviera adds a Maldivian twist to mingling in the summer sun.

Lazy lunches flow into sunset spritzes as bright technicolor hues splash across the ocean.

VELAA BAR + GRILL

Basked in chic colours with touches of mid-century design, Velaa Bar + Grill is the essence of halcyon beachside lounging throught the morning, noon and evening.

Velaa is a relaxed poolside bar during the day and transforms into a seafood grill when the stars come out to play.

TURQUOISE

Eclectic in design and cuisine, Turquoise is a fresh, inviting, and interactive marketplace where guests can graze breakfast, lunch, and dinner with fresh ocean breeze and uninterrupted vistas.

Guests will enjoy an assortment of cuisines featuring authentic local dishes alongside Asian favourites, modern European, South Asian specialties, and Maldivian delicacies.

LE MÉRIDIDIEN HUB, LATITUDE

Encased within Le Méridien Hub, the main meeting point of the resort, Latitude evokes the feeling of a cosy living room to wind down, relax, and nibble and sip from a range of illy coffee creations and European inspired deli-style bites.

CULINARY VOYAGES

Inspired by beauty and bounty, embark on a culinary discovery with a menu of distinct journeys that bring to life the vibrancy and uniqueness of the Maldives.

A dreamy picnic on Bodu Finolhu, sunset by the sea with waves lapping at the shore, harvest dining in a tropical greenhouse, or a sparkling family soirée – whatever the special occasion, we'll make it magical in one of our utopian spots.

WAVES LIFESTYLE HUB

Taking cues from modern lifestyles, Waves Lifestyle Hub has been designed as a well-being collective set against the tropical landscape with views of the ocean.

Waves is a boutique concept that features an ocean facing fitness studio and yoga platform positioned high in the Banyan Trees.

Waves is complete with a nourishing café, creative art space, and retail emporium featuring beach essentials alongside a selection of local hand-crafted and contemporary lifestyle pieces for guests to create a chic island experience at home.

WAVES CAFE

Feed and nourish the soul with wholesome ingredients presented in a clean and minimal manner.

Designed as a space for mindfully conscious eating and drinking, the menu celebrates the power of produce with organic and sustainable ingredients from the resort's greenhouse.

Each dish has been designed according to specific dietary needs, tastes, temperature levels, and density to fortify, cleanse, and nourish.

EXPLORE SPA BY LE MERIDIEN

Invigorate the senses in a haven of natural beauty.

Explore Spa pulses with life full of magnetic energy fused with artistic expression.

A mindful space that takes cues from the iconic European bathhouse experience - fused with simplicity, nature, and relaxation and designed to energise and inspire a sense of place.

LE MERIDIEN FAMILY & KIDS' HUB

To celebrate the Maldives, the Kids' Hub is a thoughtfully designed space that educates guests on the atoll's abundant flora and fauna thriving on land and sea.

Through an edu-taining program that nurtures discovery and conservation, the Kids' Hub aims to engage through a curated program that invites make-believers, aspiring inventors, junior culinarians, and little culture-seekers into an immersive world where toying, tinkering, and free-play are celebrated.

Families will enjoy our curated menu of purposely designed family expeditions that include nature trails, coral restoration, mangrove conservation, traditional fishing, dolphin sightings, private island explorations, and more.

THE MARINE HUB

The Marine Hub is the launch point for diving into the resort's passion for the flora and fauna on land and in sea.

Delve into our philosophy that places sustainability at its core, experience unique activities including mangrove conservation, learn how to husk and scrape a coconut, go behind the scenes of the resort's environmental programs, and trail the resort's nature during the day and see how it transforms at night.

Discover underwater conservation with the resort's coral restoration program, attend marine biology talks, and learn about the turtle and Manta Ray population that call Lhaviyani Atoll home.

THE GREENHOUSE

Learn about sustainable farming practices with links to traditions of foraging and preserving and garden-to-plate philosophies and their impact in an archipelago formed nation.

At 430M2, The Greenhouse is one of the Maldives' largest state-of-the-art hydroponic farms that has been purposely designed to promote sustainable farming and consumption.

The Greenhouse is a blueprint for the resort's food menus and provides a physical link between the plate and the Executive Chef's mindset – one not just occupied with creating beautiful food, but with the origins of the ingredients used.

Guests of all ages can have the opportunity to participate in a range of interactive experiences that bring The Greenhouse to life.
