SAii Maldives LAGOON

One island, one resort
Step out of your world to a tropical escape…

Lying just 15 mins from Malé international airport by boat, this unique new resort experience offers 198 spacious guestrooms, beach villas and overwater villas. Ideal for couples, families or friends looking for an inspiring escape, the resort's generous interiors and al fresco spaces, personalized comforts and genuine service culture create an inspired playful destination getaway.

The signature journey begins on arrival when guests select their own amenity set using natural ingredients from an Aroma Lab. The resort connects directly to The Marina @ CROSSROADS Maldives, a dynamic new destination that includes an exciting collection of restaurants and bars, boutique stores, The Event Hall @ CROSSROADS, leisure activities and more.
