

Live Exquisite at the Maldives' Finest Address

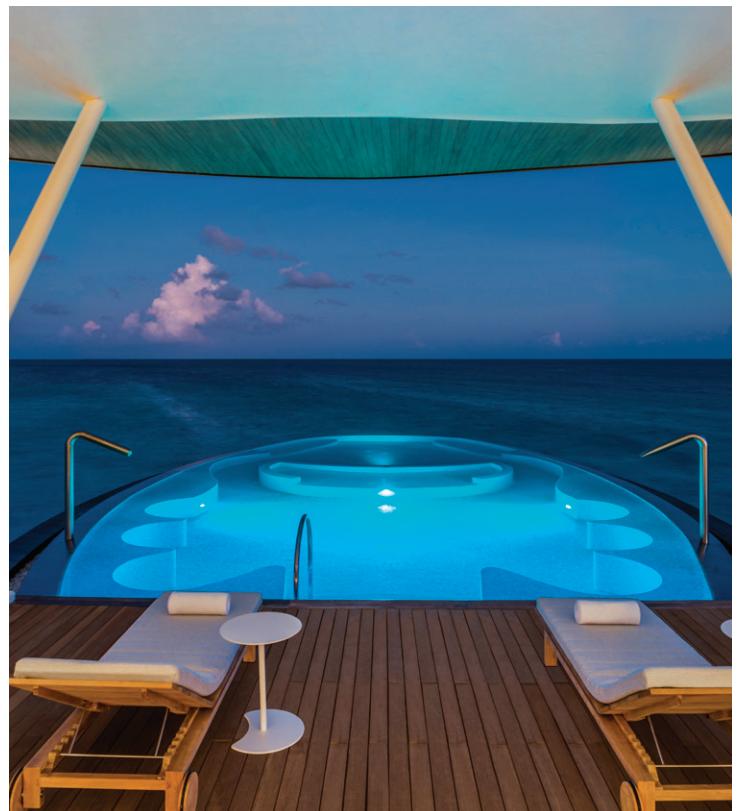

The Address

On Vommuli Island, refined yet contemporary design blends effortlessly with local craftsmanship and an appreciation for its ecological environment. Impeccably crafted dishes from all over the world are cooked to perfection and every possible luxury can be found at this exquisite Maldives retreat. The St. Regis Maldives Vommuli Resort is located on an exclusive, 9-hectare island in the Dhaalu Atoll of the Republic of Maldives. Ibrahim Nasir International Airport (MLE), can be reached by seaplane in 45 minutes.

Exquisite Celebrations

For an extravagant celebration, a relaxing holiday with family, or simply a private getaway for two, there is no backdrop more stunning than the Maldives. Allow our St. Regis Butler to plan for an enchanting ceremony or important event, ensuring that each moment is thoughtfully organized and flawlessly executed.

All-Villa Luxury Experience

Featuring private swimming pools and suspended over the Indian Ocean, 33 on-land and 44 overwater villas revel in peerless lush forest or ocean views. Each villa draws inspiration from the treasures found on and around the island, such as the overwater villas, which mimic graceful manta rays. Divided into four zones – Lagoon, Beach, Jungle and Coastal – the interior of each space reflects its location. The John Jacob Astor Estate is the largest three-bedroom overwater villa in the Maldives, spanning 1,540 square meters.

St. Regis Butler Service

The anticipatory, personalized service of the St. Regis Butler ensures that each guest's preferences are known and understood at our resort. No request is too small or unattainable, no matter the hour of the day.

Transformative Iridium Spa

As the only overwater spa in the Maldives, the Iridium Spa takes a holistic approach to relaxation and rejuvenation. There are six overwater treatment rooms, including two that are dedicated to healing Ayurvedic treatments. Each visit offers a customized spa experience such as authentic rituals or luxury caviar treatments. The Blue Hole is the most expansive hydrotherapy pool in the Indian Ocean.
